## Platform for WOMEN's Strength & Courage

LADIES  
FORUM

✓ *Your stories are exciting. Your journeys are inspirational. Your hard work is incredible and your achievements are admirable.*

*The **purpose** of the Ladies Forum is to allow women to connect with mentors. Women who have accomplished certain milestones and are willing to help other women accomplish their specific goals are in these groups. They are there to help others be successful by offering their experience, connections and support.*
